## “NCJBRU.... Growing the Leaders of Tomorrow”

Dear Agricultural Business or Producer:

The North Carolina Junior Beef Round-Up was started in 1983 and was designed to be a comprehensive evaluation of 4-H'ers knowledge of the cattle industry. During the weekend event contestants have the opportunity to showcase their individual skills as well as their ability to work in a team setting. In the showmanship contest they get to show off their individual ability to handle their animals. There is also a Skill-a-Thon which allows the participants a chance to showcase their knowledge of the beef industry. Some other events include a heifer show, a photography contest, and a poster contest.

The North Carolina Junior Beef Round-Up is planned and run by a group of juniors from throughout North Carolina, their breed advisors, the Purebred Breeders Council, the North Carolina Cattlemen's Association and the NCSU 4-H and Youth Livestock Department.

Our committee hopes your group will support the 2008 North Carolina Junior Beef Round-Up, which will be held on May 30, 31 and June 1 in the Jim Graham Building located on the N. C. State Fairgrounds in Raleigh, North Carolina.

If we can answer any questions regarding the North Carolina Junior Beef Round-Up, please feel free to contact us. We look forward to your partnership with us in this educational youth activity. We thank you for your consideration and hope that you will contribute to this important program. It truly makes a difference and is greatly appreciated by North Carolina Junior Beef Round-Up exhibitors throughout North Carolina.

Sincerely,

North Carolina Junior Beef Committee  
919.515.4467
