The South Central District invites any 4-Her interested in horse judging to participate in this clinic. Debbie Barham-Campbell, leader of The Young Riders 4-H Club will be conducting the clinic with help from our state 4-H office and some other former World-Judging team youth. Debbie has coached several NC State Judging teams that have gone on to compete and win at National and World Competitions. You won't want to miss out on this great opportunity. Anyone interested in bringing a horse to show in the clinic should email Brandywine4h@yahoo.com or call 704-545-8043. Hope to see you there!
