

**Milk Pasteurization Course**  
**May 13-15 2008**  
**Schaub Hall, NC State University**

---

The Department of Food Science and the Carolina/Virginia Dairy Products Association will host a Pasteurizer Operator's Course in cooperation with the North Carolina Division of Environmental Health, Environmental Health Services Section, Dairy and Food Protection Branch. Classes begin at 1pm on the first day and will end by noon on the third day. All classes will be held at Schaub Hall, NCSU, at the corner of Western and Dan Allen Drive in Raleigh. This training has been designed for pasteurizer operators, engineers and plant supervisors as well as dairy plant quality control personnel. Registration will be limited to the capacity of the teaching and plant facilities.

**Registration**

Registration fee is \$50 per participant. Checks should be made payable to North Carolina State University. Please mail check and registration form by May 6, to:

Lisa Gordon  
Department of Food, Bioprocessing and Nutrition Sciences  
Box 7624 NCSU  
Raleigh NC 27695-7624

Fees will include lunches and breaks plus handouts and instructors will be available on Monday evening or after the course for any course participant who would like further discussion / clarification. A grant from the North Carolina Dairy Foundation will supplement expenses.

**Hotels**

Ramada Inn, Blue Ridge, 1520 Blue Ridge Road, Raleigh, 919-832-4100, has a block of rooms for \$75 per night. Please book these rooms immediately to take advantage of these rates. *You must mention North Carolina State University to get this rate.* There are several other hotels available in the area.

**Bring**

All attendees should bring a flow diagram of their particular HTST system and appropriate copies of pasteurizer charts with them for discussion.
