

**Assistant Professor of Nutrition
College of Agriculture and Life Sciences
Department of Food, Bioprocessing and Nutrition Sciences
Position Announcement**

Position: Assistant Professor of Nutrition in Community/Public Health Nutrition
As members of one of two flagship universities within The University of North Carolina system, the faculty in this internationally recognized department is committed to guiding undergraduate and graduate students preparing for professional and technical careers in Food, Bioprocessing and Nutrition Sciences.

Appointment: 100% Academic Programs, 12-month, tenure track

Position Available: August 1, 2008

Responsibilities: The successful applicant will: 1) be responsible for teaching two 3-credit hour courses, per year, one in life cycle nutrition and the other in community nutrition, and a 1-credit hour sophomore-level seminar class; 2) be responsible for developing an internet-based capstone course with an experiential learning component; 3) be expected to partner with colleagues in other disciplines both on campus and across the country in scholarly work in the areas of community and/or public health nutrition; and 4) be expected to participate in departmental, college, and/or university affairs.

Qualifications: A Ph.D. in Nutrition or closely related discipline; RD certification is required. Experience in public health/community nutrition programming is expected; on-line course development skills are preferred. Candidates must demonstrate outstanding oral and written communication skills, knowledge of the discipline, as well as excellent interpersonal skills, and have documented excellence in teaching.

Application Procedure: The application must be submitted on-line at <https://jobs.ncsu.edu> or quick link <http://jobs.ncsu.edu/applicants/Central?quickFind=79538>. Applicants must attach a letter of application, curriculum vitae, one-page statement of their teaching philosophy, and a one-page statement of their research interests to the web-based application.

In addition to the web-based application, please mail academic transcripts and arrange for three letters of reference to be mailed to the following address:

Ms. Sue Strong
North Carolina State University
Department of Food, Bioprocessing and Nutrition Sciences
Campus Box 7624
Raleigh, NC 27695-7624

Questions may be directed to:

Dr. Sarah Ash, Search Committee Chair or Dr. Donn Ward, Department Head
