

2009 Nusbaum Conference

Building on Strength: Integrating Lessons from the Past into Strategies for the Future

Session 1

- 9:00 Dr. Jim Moyer: Welcome and Introductions
- 9:15 [Dr. John Sherwood](#): “Future: A Perspective on Public Policy and Plant Pathology”
- 10:00 Dr. David Marshall: Discussion
- 10:30 Break

Session 2

- 10:45 Dr. Jean Ristaino: Microbial Ecology and Epidemiology at NCSU
- 11:00 [Dr. Linda Kinkel](#): “Integrating Ecology and Evolutionary Biology into Plant Disease Epidemiology: To What Ends?”
- 11:45 Drs. Shuijin Hu and Ignazio Carbone : Discussion
- 12:15 Lunch

Session 3

- 1:30 Dr. Ralph Dean: Genomics & Host Parasite Interactions at NCSU
- 1:45 [Dr. Maria Brandl](#): “Contamination of Produce With Enteric Pathogens: A New Paradigm About Plant-Microbe Interactions”
- 2:30 Drs. Paola Veronese and Charlie Opperman: Discussion
- 3:00 Break

Session 4

- 3:15 Dr. Mike Benson: Diagnosis, Forecasting & Disease Management at NCSU
- 3:30 [Dr. Chris Mundt](#): “Aerial Dispersal and Multiple-Scale Spread of Epidemic Disease: Unifying Principles or Wishful Thinking?”
- 4:15 Drs. Kelly Ivors and Christina Cowger: Discussion
- 4:30 Dr. Jim Moyer: Closing

Department of Plant Pathology • North Carolina State University

Wednesday, March 4, 2009 • 9:00 AM - 5:00 PM
