

SERA-IEGs:

Benefits and Impacts

Skip Jubb and David Foster

Southern Land Grant Meeting 8/6/01

- SERA History
 - Successful SERA-IEGs
 - Challenges of the SERA Process
-

SERA History

- **Began in 1991**
Gale Buchanan
Hiram Palmertree
- **We created:**
10 SERA-IEGs
2 SERA-TFs
- **Current portfolio:**
28 SERA-IEGs
1 SERA-TF

SERA History

- **Since 1991 we have had:**

32 IEGs, 12 TFs, 2 Cs

- **How do we form IEGs?**

From scratch

15 IEGs came from SRIEGs

3 IEGs came from SERA-TFs

1 IEG came from a DC

3 IEGs combined from

SRIEGs, SREA-IEG, S proj.

Successful SERAs:

SERA-IEG-9 1992

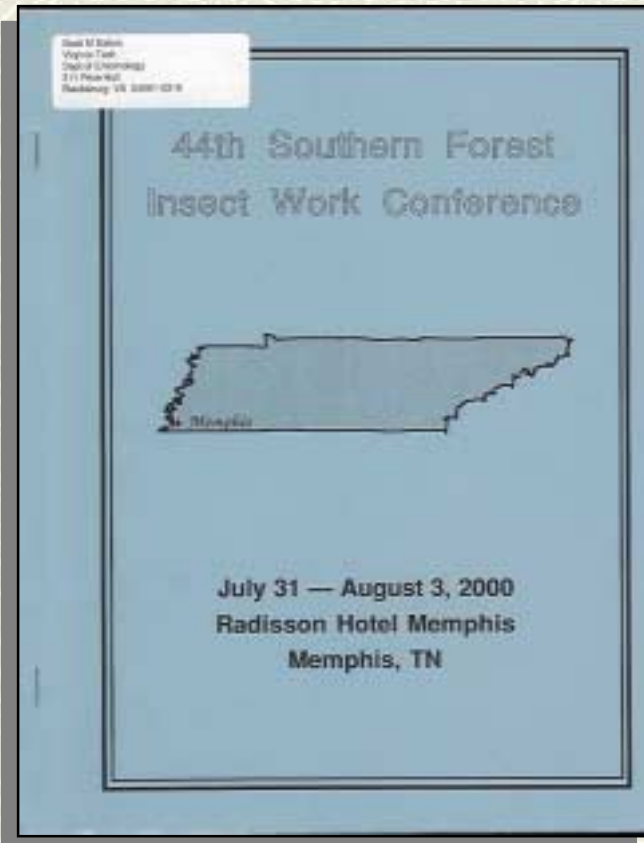

Aquatic Food Animals from Warm Water Aquaculture

Marty Fuller, MS
Thurmond Grove, NC

- One of the most active groups
 - Have close relationship with SRAC
 - Access to SRAC funds
-

Successful SERAs: *SERA-IEG-12* 1992

Southern Forest Insect Work Conference

Bobby Tyson, GA
Gerald Jubb, VA

So. Coop.
Bull. Ser.
No. 383

SREA-IEG Process: Challenges

- How do we justify renewal?
 - When should a SREA-IEG end?
 - Funding commitments?
 - Using Dept. Heads as
Co-Administrative Advisors?
e.g. *SERA-IEG-27*
 - Joint role of So. Res./Ext.
Associations in the process?
-
